Bachelor of Housing Management
2017 - 2018

Introduction
The Bachelor of Housing Management programme is a 2-year part-time conversion programme that is designed to broaden and deepen the knowledge of the Professional Diploma in Housing Management graduates. It is run and taught by a committed group of full-time academic research and teaching staff, as well as practitioners from the field. The programme will enable graduates to:

a) acquire academic training in housing studies;
b) gain in-depth expertise and broader integrated knowledge forming a solid foundation for further career advancement;
c) develop transferable knowledge and skills that are suitable to the changing demands of the housing profession in Hong Kong;
d) study part-time for a degree qualification in housing management; and
e) be eligible for continued study in the Master of Housing Management programme.

Admissions
To be eligible for admission to the degree of Bachelor of Housing Management, candidates shall:
a) comply with the General Regulations;
b) hold a Professional Diploma in Housing Management (formerly known as Diploma in Housing Management or Certificate in Housing Management) awarded by the HKU SPACE (formerly known as Department of Extra Mural Studies); and
c) have at least three years of working experience in the housing field.
Candidates will be selected on the basis of their academic merit in the Professional Diploma course, working experience and performance at the interview (if required).
